

Welcome to the 2019 winter hockey season.

Excitingly Hockey Blacktown with the support of Hockey NSW and Blacktown City Council will run its first Blacktown based programme this year. KLHC, in collaboration with UTSHC will again cater for juniors participating in the North Area Competition. KLHC will also continue to cater for senior players through its participation in the Nepean Competition.

With Hockey Blacktown's activation your help, encouragement and support will be needed more than ever as we seek to grow the game locally to support the delivery of hockey fields in Schofields.

Below you'll find start dates for the 2019 winter season along with a proposed training schedule. You'll also find details of upcoming meetings. Please, your attendance and input at these meetings is important as we strive to make this year a successful one.
