### ❖ CLUB MEETING – CAVANAGH – 7PM TUESDAY JULY 19TH

Over the last 2 to 3 years the club has been increasingly challenged to recruit and keep players. The primary reason for this has been a lack of energy at the top. While the club is in a financially sound position and currently has access to 2 local facilities from which to run its activities it needs a new crop of volunteers to continue in to the future.

The current committee invites you all to come to the club meeting at 7pm on Tuesday July 19<sup>th</sup> to discuss the club’s future. With you the club will continue. Without you????? Be involved. We look forward to seeing you there.
