Season Finals

The winter season is drawing to a close;

- KLHC's men's team play this Sunday at 12.30pm in the B grade men's minor semi-final against Emu Plains at Kingswood. The game should be a close one. Please, get along to the game and support the team.
- U7 and U9 hockey will finish at the end of August.
- KL's U11, U13 and U17 players will finish their round games at the end of August. Things are tight on the result's ladder but it looks like everyone will get a game in the finals commencing on Friday 2nd September.

All KL members know that we have had our challenges this season, particularly with numbers. To get to this stage of the season however with so many players lining up for semi-finals is a fantastic outcome. I'd really like to thank everyone, including UTS and ND's but in particular KL parents and players for making things work.

Hockey Blacktown

It has made it to the front page on Google. Simon and James, thank you!

Summer Hockey

This is shaping up to be a great summer for hockey in Blacktown.....if we can get the word out and get players registered. Please, put things on your Facebook pages, notices on walls, noticeboards, power poles and hand some information to your friends. It would be great if we could get at least 8 to 10 players in each weekday slot and then have most of them turn up on Saturdays. 4-a-side hockey.....local, low cost, family fun!

Indoor Hockey

Indoor hockey will be starting in term 4. In the past KL has entered teams where there has been interest. It will be played on Sundays at; Ryde Aquatic Centre, Hurstville Aquatic Centre and Auburn Netball Centre. If interested in more information please go to <http://www.sydneynindoorhockey.com.au/>. For indoor representative trial dates please go to <http://www.nwsha.com.au/>.
