Season Finals

Kings Langley Men's team finished their season recently losing 1 -2 against Emu Plains in the minor semi of the NHA Men's B Division Competition. With 3 players out the team ran with the bare 11 for the game. Despite the absence of subs KL managed to control the ball for most of the match and created plenty of scoring opportunities. Unfortunately they just couldn't convert going down to Emu in what was a fast paced, even and enjoyable contest.

This Saturday the juniors get their chance in the semis. Come and lend your support;
